

**SZUTEST Konformitätsbewertungsstelle GmbH**

**TOP MANAGEMENT CONFIDENTIALITY AND IMPARTIALITY COMMITMENT**

I undertake;

To treat all persons/organizations around the world requesting services, equally, objective and impartially in all circumstances, regardless of geographical location, size, and their membership to any associations or engagement with any entities,

To ensure that the personnel involved in conformity assessment activities provide reliable services based on objective data, away from any commercial, financial and other pressure, without being exposed to pressure from any party, without considering the interests of individuals/organizations,

To fully and completely fulfill my duties in case of possible conflicts of interest analyzed to ensure that the principles of impartiality, objectivity, integrity and independence are fully complied with,

To assign the personnel involved in conformity assessment activities in the decision mechanisms in accordance with the national and international standards, laws, regulations and legislative requirements regarding accreditation, notification, and authorization,

Not to have any positive or negative influence on the personnel (internal and external) assigned in the conformity assessment decision process, to ensure that the conformity assessment process is terminated when a situation that will affect their impartiality is detected,

To refrain from any behavior that may damage the reputation of the persons/organizations served,

To ensure property rights of the served clients are protected,

To ensure remuneration of the top management, assessment personnel including the subcontractors involved in the conformity assessment personnel is not depended on the results of the assessments.

To ensure the protection of confidential information that are obtained in conformity assessment services except to the authorities responsible for notified bodies, competent authorities in the Member States, the EU Commission or required by law.

To ensure that no client specific training is provided by SZUTEST Konformitätsbewertungsstelle GmbH and when public trainings, seminars, conferences are to be performed they will be transparently planned and published and held by securing impartiality, objectivity, independence and ethical rules.

To carry out all conformity assessment activities with competent personnel in a transparent manner based on the principles of independency, objectivity, impartiality, integrity, and confidentiality,

To fulfill my duties in my area of responsibility for the services carried out within the framework of SZUTEST Konformitätsbewertungsstelle GmbH notifications and accreditations.

Not to engage in any activity that would conflict with the independence of decisions and assessments regarding SZUTEST Konformitätsbewertungsstelle GmbH activities, that,

- I am not the designer, manufacturer, supplier, installer, commercial purchaser/user, owner, consultant or maintainer of the products evaluated for compliance, nor the owner, authorized representative and partner of these parties.

- I am not directly related to the products subject to conformity assessment and other products (such as a competitor brand or manufacturer) in competition with the products,

not to engage in any activity that will affect the impartiality of all of the services provided by SZUTEST Konformitätsbewertungsstelle GmbH

Not to engage in any activity that may cause a conflict of interest for the mother/sister companies of SZUTEST Konformitätsbewertungsstelle GmbH and endanger their impartiality.

To abide by the rules documented in FR.10 Confidentiality and Impartiality Commitment.
